

# Instructional Issues Institute

**Select the session for you!**

## **Teacher Evaluation Process**

Still wondering how the “new” Teacher Evaluation Process impacts you as a classroom teacher? Wondering about the new Standard VI? Unclear about how the abbreviated process works? Join us for this informative and interactive session in which participants will dissect the rubric, come to a better understanding of how Standard VI will be evaluated, and have an opportunity to get your questions answered! Be armed to support educators in your school community!

## **ACRE/Common Core**

Unclear about the new Essential Standards, the implementation of the Common Core, or what the Accountability Curriculum Reform Effort is? Join us for this in depth look at how North Carolina is moving to the head of the class in our integration of new standards and curriculum. This session will be led by the staff from the Department of Public Instruction that are directly involved in the implementation of this process! You'll be equipped to respond to any ACRE issue!
